Classes and Workshops

Potential Education Focuses

- **Origami Fun:** Experiment with paper with the technique of paperfolding called origami. Learn some tricks and techniques while you fold your own unique origami. Come and have fun!
- **Peace Crane Origami:** Hear the peace crane tale, and then fold with paper, plastic and metal.
- **Summer Origami:** Plant some seeded paper in an origami container to will make. Fold designs like flowers and birds to decorate your plant box.
- **Musical Origami:** You will hear a song about a green origami goldfish, then fold 3 mini-books that tell all about it, fold the goldfish and even fold a piano.
- **Fall Origami:** Fold leafs, pumpkins, torches, ghosts, bats, turkeys and more.
- **Winter Origami:** Fold your ornate snowflakes, icicles, candles and more.
- **Valentine's Origami:** Fold various heart designs and make an envelope to gift them in.
- **Judaic:** We will learn the origami Torah, fold a fortune telling where we can write Jewish sayings, and fold the Star of David which could be the centerpiece to Jewish cards you can decorate. Holiday themes available. I will showcase the meaningful Remembrance Crane, the Dove of Peace greeting cards and dreidel earrings.

The subjects are the initial ideas; other requests welcome.

Lisa will provide: Diagrams packets for attendees, folding tools, origami paper.

Needed: Tables and seats. I work best when tables are put in a "U" shape, so everyone can see and learn.

One-time Compensation: \$100 per hour.

Travel compensation: \$25 per hour commute is appreciated.

I can accommodate: 15 patrons, \$5 more per additional patron per hour.

Multiple sessions would be at a lower cost but more frequent.

References: Available upon request.

Parties

We cater to your party's needs with fun and educational origami entertaining, whether for a big corporate party or a small social gathering. Activities range from teaching specific origami designs, painting origami, making origami mobiles, creating origami artist trading cards and books, doodling with paper, the mathematics, storigami, origami poetry, and other creative activities available upon inquiry. It is the perfect opportunity to learn a new skill and have a good time!

The price is a meager \$50 for a 1 hour party with 4 persons or less. Upon delivery of services the added amount of \$25 for each additional hour and \$4 for each additional person is due. For travel, we request \$25 per hour commute stipend. We can come to you or find a suitable space for rent (depending the circumstances we may find you a deal). When parties are large we bring in our entertaining assistants; a gratuity to these individuals is an appreciated courtesy. We will work closely with you to answer any questions and to accommodate for your needs. Register your special event in Etsy at www.RockyArtsUnfolded.etsy.com in Your Origami Party!
