KEEPSAKE CRANES

Items of Remembrance or Celebration

Festive Seating Name Cranes, Table Centerpieces & More!

ORNAMENTAL PAPER & PLASTIC CRANES

Keepsake Cranes can be for any occasion. They can be either a paper or plastic centerpiece or name card and memorizes something special since it contains a stone. It has cultural Japanese and Jewish significance. In Asia, a crane stands for *peace, healing and long-life*. In Judaism stones are placed on gravestones to remember the deceased as an item of permanence, symbolizing *forever, peacefully and naturally*.

Plastic Keepsake Cranes can be the uplifting centerpiece on a table, or placed in the garden perhaps by love to a beloved one's stone. In plastic, it comes with the shimmery plastic crane (with 4 inch long wings) in your color choice, a river stone, a short poem, and optionally is available with a polymer clay-coated wooden post or mini stand).

Paper versions may designate table seating for each guest at a festive event. It can be an ornament or rest on a table with a mini-stand.

Please enjoy holding onto life with this origami crane, whether a gift for the remembered, in celebration or for everyday cheer.
