

Artist, Lisa B. Corfman from Maynard, MA began folding origami in 2001. She began creating and selling her art in 2005, yet the crane ornaments developed only in 2015. Lisa sells at boutiques and other retail locations, at art fairs and online.

The origami peace crane ornament features a uniquely colored folded crane from a wide variety of origami papers, silver embroidery floss from which the crane hangs, and two handmade polymer clay beads in colors that complement the crane ornament.

Items come in waterproof bags ideal for transport and storage. The ornament retails at \$7.
