

# Origami Fun at Veteran's Memorial Park

Upcoming on 2<sup>nd</sup> Saturdays in June, July, August, and September 2022 from 3-4:30pm are Lisa B. Corfman's in-person FUN Origami Club folding meetings at Veteran's Memorial Park in Maynard, MA. The rain dates are the next day at the same time.

Last year, Corfman held a contest called Maynard Folds, funded through the Maynard Cultural Council. With the interest, more funding was provided for an in-person origami club. With official permission to use the park from the town, Corfman says "let's fold together!" Corfman will bring a huge library of origami books, drinks and snacks, some origami paper, and ideas.

Our club meetings will be social and fun, featuring Yogami (human body folding from gross to fine motor movements) and so much more. We can explore uses like functional folds and artistic models, teaching, therapy, and entertainment, etc. We will see the mathematics, discover historic figures, and fold with materials like plastic and metal sheets!

RSVP to Lisa B. Corfman at [Lisa@OrigamiPlace.com](mailto:Lisa@OrigamiPlace.com).
