And Open Call for Music Renditions

Exhibition Location:

The Commons, Mill & Main Place, Maynard, MA 01754

This program is supported in part by a grant from the Maynard Cultural Council, a local agency which is supported by the Mass Cultural Council, a state agency.

Installation

Installation Dates: Permanently opened Sunday, August 26, 2018

Location: The Commons, Mill & Main Place, Maynard, MA 01754

The project involves three parts centering on the Goldfish Song. First, there is an ongoing musical open call for all to use the song lyrics about green origami goldfish Sam. Second, six song murals were installed (each mural illustrates a verse of the six song verses). Finally, copper butterflies were folded and epoxied with nail polish by the community and add to the murals.

#7 Goldfish Song

Sept 12, 2016

By Lisa B. Corfman and Pete Fein

Chorus:

Scrub, scrub, scrub

Paper bubbles in the tub. (x2)

Paper chosen at random,
For a folded surprise.
Didn't know it was a goldfish,
'til green origami swam by.

Chorus

Fish folded in copper,
They had quite a sheen.
School friends swam in a bathtub,
Fish felt he was part of the team!

Chorus

He looked in the mirror,
And he saw he was green,
His reflection surprised him,
The result was a screeeeeam!

Chorus

He said - Is it seaweed?
Is moss growing on me?
He shrugged his fins and said -
I guess I'm just green!

Chorus

He put down the scrub-brush.
Paper bubbles everywhere.
Transformed the mucky tub,
Into art for a high-end club!

Chorus

You see, the unique is magical,
Skill n' work go hand in hand.
And that's the story of,
Origami Goldfish Sam!
