# KEEPSAKE CRANES

## Order Form

For items of Remembrance or Celebration...

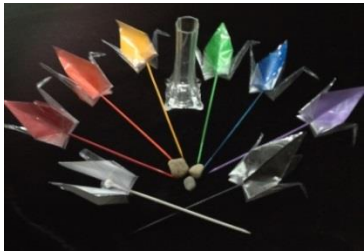

## ORNAMENTAL PAPER & PLASTIC CRANES

**Keepsake Cranes** can be for any occasion. They can be plastic, paper or mesh table centerpieces or gifts and memorializes something special, somethings containing a stone. The item has cultural Japanese and Jewish significance. In Asia, a crane stands for *peace, healing and long-life*. In Judaism stones are placed on gravestones to remember the deceased as an item of permanence, symbolizing *forever, peace* and a *natural, earthly sense*.

**Plastic Keepsake Cranes** can be the uplifting centerpiece on a table, placed in the garden, or perhaps by love to a beloved one's stone. In plastic, it comes with the shimmering plastic crane (with 4 inch long wings) in your color choice, a river stone, a short prayer, and optionally is available with a polymer clay-coated wooden post.

**Paper versions** may designate table seating for each guest at a festive event. It can be an ornament or rest on a table with a mini-stand.

Please enjoy holding onto life with this origami crane, whether a gift for the remembered, in celebration or for everyday cheer.
