

Artist, Lisa B. Corfman from Maynard, MA began folding origami in 2001. She began creating and selling her earrings in 2005. Lisa sells at boutiques and other retail locations, at art fairs and online.

Crane earrings are accented with Swarovski crystals and are a symbol of peace and healing. Sailboats are accented by dangling dolphins. Butterflies and fish are examples of nature's beauty. And dreidels and stockings get you into the holiday spirit.

Her unique origami earrings are finished with polycrylic providing durability, water resistance and a fine sheen. The ear wire is sterling silver. Items retail at \$22.

All are available as clip-ons or to dangle in a wide variety of color choices.
